Seattle Therapy PLLC is a participant in the Amazon Services LLC Associates Program, an affiliate advertising program designed to provide a means to earn fees by linking to Amazon.com and affiliated sites. An affiliate link means that if you click on the link and purchase the item, Seattle Therapy PLLC will receive an affiliate commission.* Some, but not all, links on this website contain affiliate links. Each page or link is clearly identified as such and you are under no obligation to purchase the item linked. The amount of commission is dependent on the shop that the product is from. To the individual, there is no difference in price or status of the product whether an affiliate link or a normal link is used.

Seattle Therapy PLLC is not responsible for the quality, accuracy, timeliness, reliability or any other aspect of these products and services. In addition, a merchant will likely have privacy and data collection practices that are different from those of Seattle Therapy PLLC. If a purchase is made from a merchant on their site or on a site that Seattle Therapy PLLC has posted a link to, the information obtained during the visit to that merchant's online store or site, and the information that is given as part of the transaction, such as an individual's name, e-mail address, street address, telephone number, and credit card number, may be collected by both the merchant and Seattle Therapy PLLC. For more information regarding a merchant, its online store, its privacy policies, and/or any additional terms and conditions that may apply, visit that merchant's website and click on its information links or contact the merchant directly.
